

# JOTAROOF

SUPERIOR ROOF PROTECTION

**2x** Heat Reflective

**2x** UV Protected Colours

**Anti Algae & Anti Fungal**

Disclaimer

We have made every effort to make the colours on screen as close to actual paint colours as computer screen resolutions as allow. Please refer to paint chop samples for an accurate match. Colours will vary depending on your screen settings and resolution. Applied sample is recommended when colour matching is critical.

# JOTAROOF

SUPERIOR ROOF PROTECTION

Jotarroof is developed using a proven and tested 100% pure acrylic formulation which delivers unrivalled durability. This formula provides superior protection to your roof; giving you peace of mind, year after year.

## 2x Heat Reflective

Using the revolutionary infrared reflective pigments technology, Jotarroof reflects up to twice the amount of heat away from your roof. While reflecting heat away from your home, you get to enjoy excellent indoor thermal comfort. Best of all, you can save on energy cost!

## 2x UV Protected Colours

Jotarroof's unique 2x UV Protected Colours feature offers outstanding resistance to the damaging effects of solar Ultraviolet (UV) and rays. It assures colours of your roof will remain vibrant and lustrous for a long time.

Blue Marine 4400	Roast Coffee 2549	Tree 7528	Tar 5366

## MULTICOLOR Tintable

### Multicolour Tintable

Jotarroof is available in wide range of colours to suite and match to your preference. Complement the colours of your walls with a range of Jotarroof colours available. (C Base only)

### Anti Algae & Anti Fungal

Containing a non hazardous, high quality dry film preservative, Jotarroof protects your roofs from algae and fungus attack from the tropical climate.

### Low Dirt Pick Up

Jotarroof's proven formulation forms a durable and water resistant paint surface which allows rain to naturally wash dirt off the roof. The roof remains cleaner and brighter all the time.
